

# *2016 Pember Festival of Wreaths Guidelines*

The Pember Library and Museum in Granville, NY is pleased to announce that our third annual "Festival of Wreaths" is underway.

Building on previous successful "Festival of Wreaths," the Pember will once again offer creative-minded individuals in our community an opportunity to make a personal or business-themed holiday wreath that will hang on the walls of the Pember.

The third annual Festival of Wreaths will run concurrently with the Slate Valley's Festival of Trees.
