

The Pember Library

2022 REPORT TO OUR COMMUNITY

Highlights

The Pember Library took part in the Farm 2 Library program for the sixth year. All year the library provides fresh produce and shelf stable food weekly for free to members of the community.

The program is very popular and we are proud to work with our partners (Southern Adirondack Library System, Comfort Food Community, and Capital Roots' Squash Hunger Program) to help our community.

Card Holders
2,172

1,806 people benefitted from the program in 2022.
